Consent Form - Pupil Personal Data

As a Catholic School we are very proud of the achievements of all of our pupils, and we want to be able to celebrate these achievements both within the school and with others. We may also want to report on significant events which involve our pupils, such as visits from important public figures.

The school may provide photographs and videos to the media, or the school may be visited by the media who will take videos and photographs. When these have been submitted to or taken by the media, the school has no control over these.

We assure you that as a Catholic School we take very seriously the issue of potential misuse of photographs and videos of our pupils, and have the following measures in place:

- We ensure that our pupils are appropriately dressed;
- We ensure that the language and tone of our pupils is appropriate;
- We ensure that photographs and video footage are kept safe by the school's internal online security measures.

Promoting the School

We want to be able to promote the school to attract new pupils, and to show as a Catholic education provider the quality of the education, social contribution and pastoral provision available at school. It is important to us as a Catholic school that we deliver the teaching mission of making Christ known to all people. As part of this we want to be able to use photographs and videos of our pupils in promotional material. This will include our prospectus, leaflets, social media posts, newsletters and the school website.
