Creating a Google Account

These instructions offer further support for creating a Google Account. They are designed to assist you if you are <u>using a phone or</u> <u>tablet device</u> to access the virtual events and <u>do</u> <u>not currently have a</u> <u>Google Account</u>.

We estimate it could take you up to 20 minutes to complete this process so please do allow enough time before the event. We recommend you complete this process in the days before the event.

First, please download the free GoogleMeets app from your device's relevant App Store (e.g. Apple App Store, Google Play Store, etc).

as requested:

 Check your emails, Google have sent you a verification code (this may go to your 'Junk'

folder). Once you have found the code enter it

To create a Google Account using your current email address:
