SEND Information Report

We are a fully inclusive boys' Catholic school which ensures that all pupils achieve their potential, personally, socially, emotionally and academically in all areas of the curriculum (regardless of their gender, ethnicity, social background, sexual identity, physical ability or educational needs).

This document is intended to give you information regarding the ways in which we ensure we support all of our pupils including those with SEN and disabilities, in order that they can reach their full potential. It may not list every skill, resource and technique we employ in order to achieve this, as these are continually developed and used to modify our provision to meet the changing requirements for individual children.

Children are identified as having SEN when a difficulty or disability makes learning significantly more difficult for them and their progress has slowed or stopped. If this occurs, we have Pupil Profiles which summarise and inform staff about the needs of the child, and we put additional provision in place.

Other useful documents such as our SEND policy are available on the school website and the Islington Local Offer is available through this link <u>https://www.islington.gov.uk/children-and-families/send-local-offer</u>. If you would like further information about what we offer here at St Aloysius' then please do not hesitate to contact us directly.

Please see below the St Aloysius School SEND Offer.

What types of SEND	Communication and interaction
are provided for?	Speech & Language and Communication Needs (SLCN), Speech
	& Language Impairment (SLI), Autism Spectrum Condition (ASC)
	including Asperger's Syndrome.
	Cognition and Learning
	Moderate Learning Difficulties (MLD) Severe Learning
	Difficulties (SLD), Profound and Multiple Learning Difficulties
	(PMLD) Dyslexia, Dyscalculia, Developmental co-ordination
	disorder (DCD), also known as dyspraxia.
	Social, Emotional and Mental Health Difficulties
	Mental Health Difficulties (anxiety, depression, self-harming,
	substance misuse, eating disorders) Attention Deficit Disorder
	(ADD), Attention Deficit Hyperactive Disorder (ADHD),
	Attachment Disorder (AD)
	Sensory and/or physical needs
	Vision Impairment (VI), Hearing Impairment (HI), Multi-Sensory
	Impairment (MSI), Physical Disability (PD)

Γ	
How do we identify	Identification of students with SEND results from:
children and young	Information from either the primary or previous school
people with SEND and	which is passed to the SEND team.
assess their needs?	 The school's own baseline assessments (CATs scores).
	KS2 SATs scores.
	 Progress based on data collections.
	Teacher referrals.
	Head of Year referrals.
	Parent referrals.
	Pupil self-referrals.
	Referral from an outside agency.

SENCo?	
How do we consult	We encourage our parents to contact and speak to us about
with parents of	their concerns. We believe that children do better when the
children with SEND	school and parents work alongside each other.
and involve them in	
their child's education?	We have a series of pre-planned events where we can meet you
	and discuss your child's Pupil Profile, targets and progress.
	These include a special SEN parents evening which we will
	invite you to as well as parents' consultation evenings and
	Annual Review meetings for children with an EHCP.
	We may also invite you to a special meeting if we have
	concerns or we think we should make a referral to another
	organisation or agency beyond the school.
How do we consult	Conversations occur in an informal way on a daily basis
young people with	between students and their teaching assistants and teachers –
SEND and involve them	students often find these less formal routes less intimidating.
in their education?	
	More formal discussions happen with the students at parents'
	evenings (both the SEN one and the standard year group parent
	evenings) and during the writing of the student profiles.
	All students are provided with their end of year target grades,
	their grades after each assessment point and they are also
	provided with target comments which they are expected to
	respond to.

How do we assess and review children and young people's progress towards outcomes? What opportunities are there to work with parents and young people as part of any assessments and reviews?	 Progress is continually monitored by teachers, tutors and Heads of Year. The progress of children with an EHC Plan is formally reviewed at an Annual Review with the child and all adults involved with the child's education. The SENCo and her team review the progress of pupils on the SEN register after a relevant data drops Progress of pupils in Y11 with an EHCP or who are identified as SEN support is reviewed after each exam grade is entered into SIMS by teachers
How do we support children and young people in moving between phases of education and in preparing for adulthood?	 To ensure our new year 7 pupils have a successful transition to their new school: The school holds an open evening in September/October for all primary students and their families who are in the process of choosing a secondary school and the SENCo and members of her team are available to speak to parents; We contact our feeder primary schools to collect comprehensive information about the needs of the SEND pupils transferring to St Aloysius' College. There is planning between the schools and sometimes with parents/carers in Year 6 to support the student's move from primary to secondary school. The primary transfer day takes place in July for all students transferring to St Aloysius' College On entry to the school, all students' files and KS2 scores are reviewed. This helps pick up potential difficulties at the earliest stage. We have a system of Initial Concerns that teachers can use to pass on their concerns promptly to the SEND team. In Year 8, SEND students are interviewed by either the SENCo or a member of her team regarding their chosen courses to make sure they have chosen the best subjects and qualifications for their career path. We help prepare SEND pupils for transfer to post-16 education: All students have at least one meeting with a member of staff from our internal Careers advisory service. During this meeting students will have the chance to talk about

	 All students complete a work experience placement at the end of year 10. This helps to give students a taste of a working environment and can help inform them about which course they would like to take, post-16. School staff liaise with work experience placements to ensure that their staff are aware of student needs. SEND Students receive support with completing college applications.
What is our approach	Our SEND provision will depend on the pupil's needs.
to teaching children and young people with	If a child has difficulties with literacy and learning, pupils can
SEND?	access:
	 Quality First teaching with appropriate differentiation (including best SEND practice).
	 Pupil Profiles outlining specific strategies for individual pupils on the SEN register available to all teachers
	Access to homework support clubs
	Access to Lexia Reading Programme
	KS2 to KS3 transition support
	 Access to assessment for identification of significant needs. Dedicated and caring staff who value all students regardless of ability.
	• Advice from the Literacy Co-ordinator, working in collaboration with the SENCo and the SEND Team.
	Support for targeted groups of students may include
	 Blocks of small group lessons that focus on a range of needs such as literacy, comprehension, spelling and handwriting in the SEN Base
	Study Skills small groups
	Year 7 nurture group provision
	 Where needed, help from an external agency (e.g. Educational Psychologist).
	 Effective and high quality Teaching Assistant support in identified lessons
	• Targeted lunch time clubs for vulnerable students.
	Targeted individual support may include
	 Access to a key worker who is a teacher or Teaching Assistant in the SEND Team
	• Where needed, help from an external agency (e.g.
	 Educational Psychologist). Regular testing for students with literacy difficulties to review and plan.

 External agency advice where needed.
Exam Access Arrangements.
Dedicated post 16 1:1 support.
If a child has sensory and/or physical needs Pupils can access:
Quality First teaching with appropriate differentiation

 Referral to Islington safeguarding agencies including Families First and IFIT
 Counselling. Outside agency input (og. Educational Psychologist
 Outside agency input (eg. Educational Psychologist, Targeted Youth Support, CAMHS.
 Flexible timetables.

	 In-class support for students at risk of exclusion. Personal Support Plan- support for students at risk of permanent exclusion. Support from Health and Social Care team Child Looked After support.
How are adaptations made to the curriculum and the learning environment	Teachers plan lessons and homework according to the specific needs of all groups of children in their class and will ensure that a child's needs are met.
of children and young people with SEND?	 A teaching assistant may work with the teacher to support a child's learning in the classroom. Our professional development programme includes reviewing best practice for Teaching Assistants and Teachers working collaboratively in the classroom. Specific resources and strategies may be used to support a child individually and in groups as is judged appropriate to
	 we provide targeted support with homework after school and a range of after school intervention sessions for identified pupils. Timetables are adjusted to support pupils with SEND – for example the small groups
	• Specific packages of subjects and qualifications are offered in KS4
	Dedicated post 16 1:1 support is offeredCatch up literacy
How do we train staff	We develop our staff's knowledge and practice through the
to ensure that they are	following methods:
fully able to support	Tonowing methods.
children and young	 SENCO attendance at local and national
people with SEND?	courses/conferences, in some cases leading to nationally recognised qualifications
	Membership of SEND organisations
	Twilight INSET days that focus on SEND
	Training programme for TAs (OTAP) and non-teaching staff
	 In school sessions – SENCO and other Heads of Department delivering (organising training for teachers and support
	delivering/organising training for teachers and support staff on the different categories of SEND/strategies/use of
	LSA/TA e.g. strategies for VI pupils
	 Delivering induction programme for newly qualified staff
	and staff new to the school
	 SEND staff working closely with teachers and Heads of Department to make sure that the most effective strategies

	and interventions are used to meet the needs of all SEND
	students. This takes place on request.
	 Subject teachers are encouraged to develop their own
	subject specific expertise by attending relevant courses
	and/or seeking out information.
	 Outside specialists (e.g. Speech and Language Therapist)
	working alongside school staff, giving specific advice and
	guidance and quality assuring provision.
How do we evaluate	We believe that regular and systematic monitoring and
the effectiveness of	evaluation is vital to ensure effective SEND provision. We do
the provision made for	this in several ways including:
children and young	
people with SEND?	 Regular observations and learning walks, including learning walks to observe the learning of pupils with SEND by the SENCo
	• Analysis of the attainment and achievement of different
	groups of students with SEND
	Success rates against individual of targets
	Post 16 destinations of young people with SEND
	Scrutiny of teacher's planning and student's work
	The views of parents and the students
	Monitoring by the governing body/SEND governor
	Maintenance of assessment records – numeracy, reading
	and spelling ages etc. – that indicate progress over time for students involved in small group / individual intervention
	 Departmental reviews of the progress of SEND students
	A department action plan and a whole school Professional
	Development Plan for SEN which are regularly reviewed
	Monitoring procedures for identification and assessment of
	and provision for students with SEND undertaken within a
	department structure which highlights areas of
	responsibility and accountability
	• The use of appraisal to highlight areas of development for
	staff which is regularly reviewed.
	Reviews of the SEND department by professionals outside
	of the school e.g. OFSTED
How do we ensure that	We make every effort to include all pupils in school trips. If an
children and young	individual risk assessment is required, we will write this to
people with SEN have	ensure that everyone is fully included. We also help prepare
access to the same	children for any changes in their school day, such as school
activities available to	trips, awards ceremonies and sports day.
all children?	

What arrangements	We strengthen the relationship between the students and staff
are there for listening	through:
to the views of	School council meetings
children and young	 Regular parent and student meetings with SEND staff
people with SEND?	• Discussions about the content of the student profiles
	• Key teaching assistants attached to year groups for informal
	discussions
	Whole school PHSE lessons
How does the school	The school aims to work in partnership with other agencies to
involve other bodies,	provide effective support based on the needs of the student.
including health and	Such specialist services include:
social care bodies,	
local authority support	Educational Psychologists
services and voluntary	Child and Adolescent Mental Health Services (CAMHS);
sector organisations,	• Specialist teachers or support services for learning and
to support children	behaviour (New River College Outreach Team, the Bridge,
and young people with	VI and HI services)
SEND and their	• Therapists (including speech and language therapists,
families?	occupational therapists and physiotherapists)
	• Social Care and family support Services e.g. Families First
	We also arrange Multi-agency meetings to secure effective
	expert support from outside agencies in assessing more
	complex cases and making provision for the most vulnerable
	students.
What arrangements	We seek to promote an active partnership with
are there for handling	parents/guardians and to involve them fully at every stage.
complaints from	Most concerns and complaints can quite properly be resolved
parents of children	on an informal basis. Formal complaints are resolved through
with SEN about the	our complaints process. Our complaints process is detailed in
provision made at the	our Complaints Policy which can be found on the school
