A Level: English, Politics, and History
Now: Archaeology and Medieval History at University of Cardiff

BTEC: Business
Now: Psychology & Child Development at University of Winchester

A Level Results 2020

Year-on -Year Improvement in Results!

We are delighted to report continued outstanding post 16 success at St Aloysius' College! Students and staff have worked well together to overcome the challenges of post 16 preparation, especially this year, securing 54% A*-B grades, 92% A*-C grades and 100% A*-E grades. Although it is difficult to compare with results from last year, it is pleasing that our results continue to be above local and national outcomes. Progress measures at the school remain strong, with a positive value added score again this year!

Associate Headteacher, Andy English said, "these results have provided a platform on which students can build a successful future." Many students have accepted places at top universities, including 25% who have gone on to prestigious Russell Group Universities this year.

Director for Children's Services Carmel Littleton congratulated all staff and students at St Aloysius' College on their great success and "continued excellent trajectory in an exceptionally challenging year".

Students were delighted with their grades with many securing exceptional results, including:

Jacky	A*AB	Animation	University of Hertfordshire
Zain	AAA	Law	University of Warwick
Barteck	AAB	Liberal Arts	University of Leeds
Khris	ABBC	Aerospace Engineering	University of Nottingham
Adam	AAC	Management	University of Nottingham
Oliver	AAA	Television & Broadcasting	University of Portsmouth
