Job Description

St. Aloysius' College is a successful North Islington R.C. Comprehensive school based in Highgate. We take pride in our friendly and inclusive school community with its commitment to supporting pupils and staff in achieving their full potential.

We are looking for a recent graduate, with a core subject degree in Maths looking for a career that will enable you to raise the aspirations of young people? You will need to liaise and work collaboratively with both subject specific teachers and within cross-curricular activities, ensuring students receive the support they need both inside and outside of the classroom. After being allocated a specific group of students who you will assist and support them through the rest of the year, both academically and with personal, social or emotional difficulties.

Do you have an excellent academic background and would like to use this to help secondary school pupils. Are you a recent graduate, with a core subject degree in Maths looking for a career that will enable you to raise the aspirations of young people?

Perhaps you're looking for the ideal stepping stone before you train to teach?

*This Graduate Achievement Coach role is a rare opportunity for an aspiring teacher to gain paid experience in one school for the full academic year!
