**Job Description**

St. Aloysius' College is an established and highly successful school (11-19) in North Islington. We take pride in our friendly and inclusive school community with its commitment to supporting pupils and staff in achieving their full potential.

St. Aloysius' College are looking to appoint a fully qualified Teacher of Science/Biology Specialist/Post of responsibility to teach across the full age and ability range. **NQT's** are welcome to apply. You will be joining a progressive and dynamic department that achieves strong outcomes 'above average' in both GCSE and A Levels.

At KS5, we are offering all Sciences: Physics, Chemistry and Biology up to A2 levels with AQA. AQA GCSE Sciences are taught at KS4.

You will:

- Be passionate about Science Education
- Communicate effectively with all staff, students and parents
- Raise aspirations, expectations and achievement of all students regardless of ability
- Be a team player and go the extra mile to uphold school values
- Be able to teach Science to all age groups, fulfilling all responsibilities of a teacher of Science.

**Our NQT programme is excellent and we welcome applications from new teachers.**

St Aloysius' College is committed to Safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.

**This appointment is subject to an enhanced DBS check and positive references.**

**How to apply:** An application form is available via the school's website <http://www.sta.islington.sch.uk/>. Please email your completed application to **Debbie McDonagh**
