## **3.0 The Statutory Tests and Qualifications Offered**

The school aims to provide all learners with the opportunity to enter and be successful in the public examinations for which they are being prepared. The statutory tests and qualifications offered at this Centre are decided by the heads of subject and the senior leadership team.

The statutory tests and qualifications offered are GCSE, AS and A levels, BTEC, NQF, QCF, NCFE and OCR Nationals.

The subjects offered for these qualifications in any Academic year may be found in the Centre's published prospectus for that year.

### **3.3 At Post-16**

It is expected that candidates choose between AS and A2 modules, BTEC and OCR National qualifications to study during year 12 and year 13.

## **4.0 Exam Seasons and Timetables**

### **4.1 Exam Seasons**

External exams are scheduled in November, January, March and June, as per the Specifications being followed. Most external exams will be held in the summer.

Controlled Assessments will take place according to Specifications. Information on these can be found in the Controlled Assessment Policy.

Internal assessments may be arranged by individual departments throughout the year. These will be arranged by departments after consultation with the Deputy Headteacher - Achievement.

Which Specifications are used in the Centre will be decided by the Heads of Departments after consultation with Deputy Headteacher - Achievement.

### 4.2 Timetables

The exams officer will circulate the exam timetables once these are confirmed.

## 5.0 Entries, Entry Details, Late Entries and Retakes

### 5.1 Entries

Candidates are selected for their exam entries by Curriculum Leaders and subject teachers after consultation with Deputy Headteacher - Achievement. However, no learner can be entered for an exam against the parents' wishes.

The school is under no obligation to enter learners for public examinations if there are educational reasons for not doing so. The school may change the tier of the exam for which the learner has been entered if they are working below the level required. A decision such as this will be taken after consultation between Department Head and Deputy Headteacher - Achievement.

A candidate or parent/carer can in some cases request a subject entry, change of level or withdrawal. In all cases this should be arranged through discussion with the relevant Head of Department. If the Centre does not uphold the request then a disclaimer must be signed by the candidate and the parent/carer and the cost of this action may be borne by the candidate. In this case parents/carers can appeal against the decision by writing to the Deputy Headteacher.

In some circumstances the Centre will accept external entries for examinations.

### 5.2 Late Entries

Entry deadlines are circulated to Heads of Departments by the Exams Officer. These must be adhered to in all but exceptional cases.

Late entry procedures, deadlines and costs are published in individual examination board publications. In all cases subject teachers should be aware of these procedures.

Late entries are authorised by Heads of Department and Exams Officer after consultation with Deputy Headteacher - Achievement.

### 5.3 Retakes

Retake decisions will be made in consultation with the candidates, department and the Deputy Headteacher - Achievement.

(See also section 6: Exam fees)

### 6.0 Exam Fees

GCSE initial registration and entry exam fees are paid by the Centre. AS, A2, initial registration and entry exam fees are paid by the Centre.

Late entry or amendment fees are paid by the relevant department or, if the entry is due to a candidate request, by the candidate themselves.

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies.

Reimbursement will be sought from candidates who fail to sit an exam or meet the necessary coursework requirements.

The fees reimbursement policy will be communicated in writing to candidates and parents/carers.

(See also section 5.3: Retakes)

Candidates must pay the fee for an enquiry about a result, should the Centre not uphold the enquiry and the candidate insist on pursuing the enquiry. Any fees incurred will be communicated to the candidate and parents in writing. A candidate can appeal against any fee by writing to the Deputy Headteacher in the first instance.

If a candidate fails to achieve their MEG, the Centre will pay for a retake if it is requested by the candidate.

If a candidate achieves their MEG, but wishes to retake to further improve their grade then they will be liable for the entry fee.

### 7.0 The Disability Discrimination Act (DDA), Special Needs and Access Arrangements

#### 7.1 DDA

The Disability Discrimination Act extends the application of the DDA to general qualifications. All exam Centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

#### 7.2 Special Needs

A candidate's special needs requirements are determined by statement requirements, medical requirements, and liaison between departments and SENCO over individual student need.

The SENCO will inform subject teachers and departments of candidates with special educational needs at the start of the academic year and will update as necessary thereafter. Departments will inform the SENCO of any special arrangements that individual candidates may require during the course and in the exam within the given deadlines of the JCQ policy.

### 7.3 Access Arrangements

Making special arrangements for candidates to take exams is the responsibility of the SENCO with the Exams Officer.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the SENCO with the Exams Officer.

Rooming for access arrangement candidates will be arranged by the SENCO with the Exams Officer.

Invigilation and support for access arrangement candidates will be organised by the SENCO with the Exams Officer.

### 8.0 Estimated Grades

It is the responsibility of the Heads of Department to submit estimated grades to the Exams Officer when requested. Forms and deadline dates will be passed to departments by the Exams Officer. Departments should, in all cases, adhere to the specific deadlines set out by the individual exam board criteria for each exam series.

### 9.0 Managing Invigilators and Exam Days

#### 9.1 Managing Invigilators

External invigilators will be used for all exam supervision. The recruitment and/or booking of invigilators is the responsibility of the Exams Officer.

Securing the necessary Criminal Records Bureau (CRB) clearance for new invigilators is the responsibility of the Centre administration. CRB fees for securing such clearance are paid by the Centre.

Invigilators are line managed, timetabled and briefed by the Exams Officer. Invigilators' rates of pay are set by the Centre through the Human Resources Manager.

#### 9.2 Exam Days

The Exams Officer will ensure that all candidates are properly briefed on examination rules and regulations prior to all exams.

The Exam Officer will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilators.

Site management (FM) is responsible for setting up the allocated rooms. The Exams Officer will ensure that all rooms used for exams are set out to the correct specification.

Senior staff or the Exams Officer or the lead invigilator will start all exams in accordance with JCQ guidelines. Subject staff may be present at the start of the exam to assist with identification of candidates but must not advise on which questions are to be attempted, nor will they be allowed to see the paper. In practical exams subject teachers may be on hand in case of any technical difficulties.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to heads of department once all scripts are ready for dispatch at the end of the exam session at the discretion of the Exams Officer.

### 9.3 People Present in the Exam Hall

The following rules relate to centre staff other than exams officers and invigilators.

Senior members of centre staff, such as an Assistant Headteacher, approved by the head of centre and who have not had overall responsibility for the candidates preparation for the examination(s), may be present at the start of the examination(s). When entering an examination room, they must identify themselves and their purpose for being there to the senior invigilator and/or Exams Officer.

Senior members of centre staff have a very clear role. Principally:

- to assist with the identification of candidates;
- to deal with any disciplinary matters;
- to check that candidates have been issued with the correct question paper, (particularly where optional or tiered papers are involved);
- to commence the examination.
- to check that candidates have the appropriate equipment and materials for the examination;

Under no circumstances may members of centre staff:

- be present at the start of the examination and then sit and read the examination question paper before leaving the examination room;
- enter the examination room with the intention of accessing the examination question paper;
- have access to the examination question paper unless this is specifically requested by either the Exams Officer or an invigilator. For example, a possible printing error has been identified and, in the absence of an erratum notice, the exams officer needs this verified by the relevant subject teacher before escalating the issue to the awarding body;
- give any indication of their opinion of a question paper to candidates, verbally or otherwise, having been asked to inspect the content;

- communicate with candidates, except in timed Art tests and timetabled CCEA and WJEC GCE AS/A2 Science Practical examinations, or where maintaining discipline in the examination room. This constraint extends to coaching candidates, reminding candidates which section(s) of the question paper to answer or which questions they should answer;
- enter the examination room and approach candidates, either to prompt them to make an attempt at the examination or to provide support and encouragement;
- enter the examination room and read candidates' scripts. Support and encouragement may be offered at any point up until the time that candidates enter the examination room. From that moment onwards they are under examination conditions and the strict protocols must be adhered to.

### 9.4 Internal Examination Invigilation

When internal exams take place, teachers who would normally be teaching a class which has an exam will invigilate that exam.

## 10.0 Candidates, Clash Candidates and Special Consideration

### 10.1 Candidates

The Centre's published rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices apply at all times.

Candidates' personal belongings remain their own responsibility and the Centre accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates may leave the exam room for a genuine purpose requiring an immediate return to the exam room, in which case a member of staff must accompany them, however, the ratio of Invigilator to Candidate must not drop below the legally required ratio of 1:30.

The Exams Officer will pass on attendance information to the Attendance Officer at the start of each exam. The Attendance Officer and SLT will attempt to contact any candidate who is not present at the start of an exam. The Exams Officer will ensure that all late candidates are dealt with in accordance with JCQ guidelines.

### 10.2 Clash Candidates

The Exams Officer will be responsible as necessary for identifying escorts, identifying a secure venue and arranging overnight stays.

### 10.3 Special Consideration

Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, it is the candidate's responsibility to alert the Centre, to that effect.

Any special consideration claim should be supported by appropriate evidence within five days of the end of the Series of exams, for example a letter from the candidate's doctor.

The Exams Officer will then forward a completed special consideration form to the relevant awarding body within seven days of the end of the Series in which the exam is.

### 11.0 Coursework and Appeals Against Internal Assessments

#### 11.1 Coursework

Candidates who have to prepare portfolios should do so by the end of the course or Centre defined date.

Curriculum Leaders will ensure all coursework is ready for despatch at the correct time and the Exams Officer will keep a record of what has been sent, when and to whom.

Marks for all internally assessed work are provided to the exams office by the subject teachers and the heads of department for submissions to the Board and records.

#### 11.2 Appeals Against Internal Assessments

There is a separate Policy for Appeals Against Internal Assessments which is available from the Exams Officer and is also on the School Website.

### 12.0 Malpractice

Malpractice is essentially any activity or practice which deliberately contravenes regulations and compromises the integrity of the internal or external assessment process and/or the validity of certificates. It covers any deliberate actions that compromises, or could compromise:

- The assessments process
- The integrity of regulated qualification
- The validity of a result or certificate

#### 12.1 Malpractice by students

Some examples of student malpractice are described below. These examples are not exhaustive and all incidents of suspected malpractice, whether or not described below, will be fully investigated, where there are sufficient grounds to do so.

- Obtaining examination or assessment material without authorisation

- Impersonating another student to sit an assessment or to submit an assignment on their behalf.
- Collaborating with another student or individual, by any means, to complete a coursework assignment or assessment, unless it has been clearly stated that such collaboration is permitted.
- Damage another student's work.
- Inclusion of inappropriate or offensive material in coursework assignments or assessment scripts.
- Failure to comply with published examination regulations.
- Disruptive behaviour or unacceptable conduct, including the use of aggressive or offensive language or behaviour.
- Producing or using forged or falsified documentation.
- Fraudulent claims for special consideration while studying.
- Possession of any materials not permitted in the assessment room, regardless of whether or not the student refers to them during the assessment process, for example: notes, blank paper, electronic devices including mobile phones, personal organisers, books, dictionaries / calculators (when prohibited).
- Communicating in any form, verbally or electronically, with other students in the assessment room.
- Copying the work of another student or knowingly allowing another student to copy your own work.
- Failure to comply with instructions given by the invigilator, ie, working beyond the allocated time; refusing to hand in assessment script / paper when requested; not adhering to warnings relating to conduct during the assessment.

### 14.2 Possible malpractice sanction

The School will investigate each case of suspected or reported malpractice to ascertain whether malpractice has occurred. The investigation will aim to establish the full facts and circumstances. We will promptly take all reasonable steps to prevent any adverse effect that may arise as a result of the malpractice and ensure the integrity of the qualification.

Following an investigation, if a case of malpractice is upheld, The School will impose sanctions or other penalties on the individual(s) concerned. The incident of malpractice will also be reported to the relevant awarding body who may also impose sanctions. Any sanctions imposed will reflect the seriousness of the malpractice that has occurred.

This list is not exhaustive and other sanctions may be applied on a caseby-case basis:

## St Aloysius' College:

---

- A written warning about future conduct.
- Notification to further education establishment(s), University(s) or future employer(s)
- Removal from the course.
- Removal from all courses for a fixed period of time

The individual has a right to appeal against a malpractice outcome if they believe that the policy or procedure has not been followed properly or has been implemented to their detriment. Records of all malpractice cases and their outcomes are maintained by the School for a period of at least five years.

### Malpractice update (Summer 2021)

- Our general centre policies regarding malpractice, maladministration and conflicts of interest have been reviewed to ensure they address the specific challenges of delivery in Summer 2021.
- All staff involved have been made aware of these policies, and have received training in them as necessary.
- All staff involved have been made aware of the specific types of malpractice which may affect the Summer 2021 series including:
  - breaches of internal security; o deception; o improper assistance to students; o failure to appropriately authenticate a student's work; o over direction of students in preparation for common assessments; o allegations that centres submit grades not supported by evidence that they know to be inaccurate;
  - centres enter students who were not originally intending to certificate a grade in the Summer 2021 series;
  - failure to engage as requested with awarding organisations during the External Quality Assurance and appeal stages; and
  - failure to keep appropriate records of decisions made and teacher assessed grades.
- The consequences of malpractice or maladministration as published in the JCQ guidance: [JCQ Suspected Malpractice: Policies and Procedures](#) and including the risk of a delay to students receiving their grades, up to, and including, removal of centre status have been outlined to all relevant staff.

### Conflict of Interest:

- To protect the integrity of assessments, all staff involved in the determination of grades must declare any conflict of interest such as relationships with students to our Head of Centre for further consideration.
- Our Head of Centre will take appropriate action to manage any conflicts of interest arising with centre staff in accordance with the JCQ documents - [General Regulations for Approved Centres, 1 September 2020 to 31 August 2021](#).
- We will also carefully consider the need to separate duties and personnel to ensure fairness in later process reviews and appeals.

### Confidentiality:

- All staff involved have been made aware of the need to maintain the confidentiality of teacher assessed grades.
- All teaching staff have been briefed on the requirement to share details of the range of evidence on which students' grades will be based, while ensuring that details of the final grades remain confidential.
- Relevant details from this Policy, including requirements around sharing details of evidence and the confidentiality requirements, have been shared with parents/guardians.
- 

### 12.0 Results, Enquiries About Results (EARs) and Access To Scripts (ATS)

#### 12.1 Results

Candidates will receive individual results slips on results days in person at the Centre or, if arranged beforehand, by post to their home addresses.

Arrangements for the school to be open on results days are made by the Deputy Headteacher.

The provision of staff on results days is the responsibility of the Deputy Headteacher.

#### 12.2 EARs

EARs may be requested by Centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. EARs are Reviews of Marking, and will only ensure that the correct

marking criteria has been applied. It is NOT a re-mark of the paper. Marks could go either up or down, depending on the outcome.

When the Centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of the Centre, they will be charged.

(See section 6: Exam fees)

#### 12.3 ATS

After the release of results, candidates may ask subject staff to request the return of papers within three days' for scrutiny of the results. GCSE re-marks cannot be applied for once an original script has been returned.

If a result is queried, the Exams Officer, teaching staff and Head of Centre will investigate the feasibility of asking for a review at the Centre's expense. If the Centre does not support the candidates claim then the cost of the EAR will be met by the candidate.

Exam staff may also request scripts for investigation or for teaching purposes.

## St Aloysius' College:

~~For both EARs and Access to Scripts, the consent of candidates must be obtained.~~

---

### 13.0 Certificates

Certificates are presented in person and collected and signed for.

Certificates may be collected on behalf of a candidate by a third party, provided they have written authorisation from the Candidate to do so.

Certificates may be withheld from candidates who owe fees.

The Centre retains certificates for five years after which time they may be destroyed. This practice will be informed by any changes brought about by GDPR.
