RE: MUSIC - INSTRUMENTAL LESSONS: PIANO/VIOLIN (YEARS 7-11)

Dear Parents,

We currently provide one to one Guitar lessons for interested pupils and these are very popular. We currently have a waiting list for Guitar lessons.

I would like to extend one to one instrumental lessons, to include piano and violin for interested pupils. The cost to parents of these lessons is £112 a term for 10 lessons.

This cost will be subsidised by the school for free school meals/pupil premium pupils.

Please email enquiries@sta.islington.sch.uk with your son's name, your contact number, details of the instrument he would like to be taught and his Form group by Thursday 14th December. You will then be contacted with further information.

With thanks for your continued support.

Yours sincerely,

Paula Whyte
