

21st January 2026

Dear Parent/Carer

RE: MOCK 2 ASSESSMENT – YEAR 10

Please find attached to this letter, your child's Mock 2 examination timetable for week beginning 2nd February 2026.

This exam will assess all their learning from the start of this academic year and we place great importance to these assessments, as they inform teachers on any weakness in learning that will need to be addressed. It is important that you recognise that your child **must be in school on time and fully prepared for the exams.**

Please pay careful attention to the dismissal times on the exam timetable, as the times of the school day changes during assessment week.

- **Year 10 students will only attend school to sit their Mock exams.**
- **If they have no exams they will be dismissed for Home Revision.**

The exam timetables are also available on our website. Your support in the following will be greatly appreciated:

- **Your child should revise at home each night for at least two hours using a revision timetable.** Teachers have posted the topic lists and revision materials on Go4Schools.
- Your child is expected to attend school with the correct equipment for each examination. This includes at least 2 black pens, a scientific calculator, a ruler and sharpened pencils. All equipment must be in a **clear pencil** case. **No equipment will be loaned to students during assessments.** Students are allowed take a bottle of water in to the exam room with them. **The bottle must be transparent, not more than 500 ml and have no labels on it.**
- Your child must be **punctual** to school so that he/she can begin the assessments with less stress, each day. If he/she is late to an exam, they will stay after school to sit any missed exams. **They must be at school by 8:15am at the latest, on each morning.**
- **All school rules will apply during exam week.**

Finally, please note that if a student underachieves in an examination, they may be required to attend School on a Saturday to re-sit the exam.

Thank you for your continued support.

Yours sincerely

S Kisten

Assistant Headteacher – Curriculum & Outcomes
