As a school we want to celebrate the achievements of our pupils and therefore may want to use images and videos of our pupils within promotional materials, or for publication in the media such as local, or even national, newspapers covering school events or achievements. We seek the consent of pupils, and their parents where appropriate, before allowing the use of images or videos of pupils for such purposes.

Please tick **yes** or **no** for each statement and return this form to the school office.
