Dear Parent/Carer,

18th March 2020

YEAR 8 CLOSURE FROM WEDNESDAY 18TH MARCH 2020

We recognise the impact that the unscheduled closure of the school to year 8 boys may have on you and your son. We also recognise that some parents, in particular frontline workers, (such as teachers, police officers, armed forces personnel or NHS personnel) may need childcare support at this critical time. If you are a frontline worker and require your son to be in school, please email us at enquiries@sta.islington.sch.uk to make arrangements.

Please see below the recommended amount of work that your child should complete as a minimum whilst at home:-

- An hour of English, Science and Maths each day.
- Two hours of their option subjects and RE per week.

The Year 8 curriculum booklet is available on our website and may be accessed using the link below.

I urge you to continue to monitor our website and twitter feed for further updates.

Thank you for your continued support.

Yours sincerely,

J. Heffernan
