

17 May 2019

Dear Parent/Carer,

**MOCK 1 Examinations 2019 – Y10**

Please find on the reverse of this letter your son's mock exam examination timetable.

As you are no doubt aware we attach great importance to these exams. It is important that you recognise that pupils **must be in school on time and fully prepared for the exams**. Please note the exam timetables are also available on our website.

Your support in the following will be greatly appreciated:

- **Your son should revise at home each night for at least two hours.** Teachers have posted the topics lists and revision materials on Show My Homework.
- Your son attends school with the correct equipment for each examination. This includes at least 2 black pens, a scientific calculator, ruler and a sharpened pencil. All equipment must be in a pencil case.
- **Y10 pupils must have equipment in a CLEAR PENCIL CASE. No equipment will be loaned to pupils during exams!**
- Your son is **punctual** to all exams. If he is late to an exam then he will stay after school to sit any missed exams.
- Your son should bring appropriate revision or a reading book with him to all his examinations.
- Finally, please note that if a pupil underachieves in an examination because of lack of preparation we will insist that he re-sits the examination on a Saturday morning.

Please note there is variation to the timing of the school day and dismissal times during the **first week of exams**. This is clearly indicated on his timetable.

Thank you for your support and we wish your son the very best in his exam preparation and during the exams.

Yours sincerely,

S Kisten  
Assistant Headteacher – Data and Exams
