

School Mission Statement

Encounter with the person of Jesus makes us who we are and shapes what we do. Being at the service of this encounter is the heart of our daily mission as a Catholic School. The living Christ calls and empowers us to act with resolve and become more fully a place of welcome and compassion which embodies the power, hope and joy of the gospel.

At St Aloysius' College we seek to educate our students in a multi-cultural environment where Gospel values are lived. We ground all we do as a school community in the mission and ministry of Jesus. Our main values are:

Justice

Respect

Learning

Community

School Vision Statement

- The school is built on generations of high quality Catholic education over the past 142 years. We will continue to build on this rich heritage by working together as a team to provide all of our pupils with the best possible educational opportunities and support to enable each to develop into the best version of themselves.
- All leaders- Governors, SLT, Academic Middle Leaders, HOY's are challenged to inspire staff and pupils to secure a culture of excellence across all aspects of our work, based on our shared values as a Catholic school.....justice, respect, equality, care, compassion, learning and community. By doing this, we will secure the best possible outcomes for all of our pupils thereby improving life chances for all pupils.
- Working together as a Catholic school community, in partnership with parents and with other external partners we seek to restore St Aloysius College to its Outstanding status.
